A prophetic word to Government, and all other leaders – November 2015

ADDRESS TO: The President of South Africa and all members of Parliament, all members of national and provincial offices of government, all members of the SANDF and SAPS, and all people in positions of authority in all sectors of life here in South Africa

Mr President, Members of Parliament and other leaders in all sectors of life here in South Africa,

I believe this to be a prophetic word from the living God we know through Jesus Christ.

This God is saying the following:

I want to remind you about the roots of the ANC, there in the beginning, when it started among My people in the Church. You've chose the ANC's anthem to become part of South Africa's national anthem. And as you know it really is a prayer, calling on Me every time you sing it, calling on Me to come and restore your country to its rightful place in My bigger plan.

Because of those prayers, I place before you today a choice between life or death.

But also in this process, I want to reveal My heart to you.

I love you and want to bless you. I not only love you, I am love. I am peace. I am all the fruit of the Spirit.

But I am also all that you desire. The reason why you've got those deepest desires within you is because I live in many of you and work through My Spirit in all of you. That is why you can love and why you want to serve others.

I am this incomprehensible, infinite Being who lives and exist in so many dimensions, Who also is in your past, present and future. I created each of you uniquely and gave you a special place in My greater plan.

In My presence there is time for each of you to spend quality time with just Me, just you and Me, with nobody else to compete with for My time.

Everything you need, I have kept for you in heaven. Everything. In My presence is everything you may ever need to realise your destiny and your role in My bigger plan.

The enemy has deceived and lied to you. Many of you start believing him and went on like chickens, pecking around on the ground, being satisfied with crumbs that could never really satisfy you. And all the while you actually are eagles who, while looking up to Me for direction, can rise above and rule over all.

I said that I have a specific plan and place for each of you in My bigger plan, My plan for the coming of My Kingdom.

When I talk about My Kingdom it is not something that will come in heaven one day. No, My Kingdom is about My rule and reign as King here on earth, and specifically here in South Africa, now. My Kingdom must become a reality here and now. It is, after all, already a reality in heaven.

In 2 Chron. 7:14 I told you: "... if My people, who are called by My name, will humble themselves and pray and seek My face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and heal their land. "

Here in South Africa intercessors have been praying and crying out to Me for many years ... the Khoi women, Xhosa women, Zulu women ... women of every language, people and nation. It was mostly women who were in labor pains, not only for the children of their own bodies, but for My Son, Jesus, to be born in you and for you to have a proper understanding of My Kingdom.

This is what's now happening around you.

You have been through hell. You have been oppressed. But I am changing all of that.

My Son, Jesus is the new King on planet earth, and therefore also here in South Africa.

You have the decision to believe that and to choose to be part of the process to make that happen here in South Africa too, yes, even during your reign. And when you do, you will see what it is like and will experience how it is going to be.

I've chosen you to be the Government here in South Africa for now and to be My servants to realize the coming of My Kingdom in the here and now.

But many of you have stolen from the people and from the poor.

I am giving you an opportunity to change all of that. I give you My promise in 2 Chron. 7:14: "... if My people, who are called by My name, will humble themselves and pray and seek My face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and heal their land. "

If you will come back to Me, will humble yourselves, start praying and seeking My face and choose to turn from your wicked ways, then I promise I will hear from heaven and I will forgive you your sin and I will heal your land.

If you come back to Me and repent, and in restitution, will give back to the people and to the poor the millions you've stolen, I will bless you.

I will bless you with ideas to give people work. I will bless you with more money to re-distribute. I will bless you in every respect.

The more you are obedient to My word and what I've ask you to do, the more I am going to bless you.

You need to understand correctly, you are saved by grace, by believing in My Son, Jesus Christ, but it is obedience to My Word that brings about blessing.

My heart is to bless you so that you can be a blessing to many others in this country and even further.

If you choose to obey Me, I will use you to build many schools and other training centers, as well as hospitals, factories, workshops, kibbutzim and roads throughout South Africa.

But as I really start moving in My glory all across this country, there will be too few schools, too few hospitals ... and then My Spirit will teach you to pray, together with the medicine, and the people will get healed.

That time is here, now.

What I am about to do in this country is not going to be spiritual only. It will also be a time of DOING.

You have a saying in English that says: Put your money where your mouth is. Meaning, in what you do, we will see your heart. Works will show what's really in your heart.

This is going to start here in South Africa, in Cape Town, at the southern tip of Africa. My heart and desire is for it to start here in your midst, during your government.

In My hand I have these golden keys. Big ones and small ones. These keys are My revelations in these end times. These keys will unlock the treasures of wisdom and knowledge needed for now here in South Africa, but also for the rest of the world.

I have chosen South Africa to be the country in the world where I want to reveal these revelations first, because South Africa has been the country in the world where My Word was preached over and over again, over many years, in churches, in schools and at home, more than in any other country.

And on these words that were preached over many years, My Spirit is now blowing His life-giving breath and it will come to life.

Your youth, your middle-aged people and your old people will get new creative ideas. These ideas and formulas are meant to produce new things. You will, for example, discover how water can be cleansed without the use of dangerous chemicals and toxins such as chlorine. And after all, water is the key to life.

I will also give you knowledge and wisdom to restore the soil so that the crops in agriculture will totally surprise and astonish everyone.

I promise you that you here in South Africa will start producing food, clothing and many other things in abundance - China can go to bed. It will be like heaven on earth. As I've intended it from the beginning. It will be as if Paradise returned to earth.

I will also give gold in abundance. In abundance.

There are so much riches here around you. In the desert, so you won't need to mine it from underneath the cities. There will be diamonds, gold and oil in these deserts of South Africa, and an abundance of it, yes, even oil to wastage.

It has been there all the time and people already knew about it a long time, but till now the darkness has kept it a secret from the rest of the people.

I will also show you a way to produce clean energy and power. Clean energy for aviation, clean energy for all forms of transport.

I will help you build factories and schools. Yes, schools where children will be taught in the right way that I intended it to.

And because of this phenomenal explosion of wisdom and knowledge among you, people will fly to South Africa to come and learn from you. They will be staying in hotels and guesthouses while they are taught how things need to be done and to learn the most effective way to get things done.

All of this is already happening.

"For I know the thoughts that I think toward you, thoughts of peace and not of evil, to give you a future and a hope.

Then you will call upon Me and go and pray to Me, and I will listen to you.

And you will seek Me and find Me, when you search for Me with all your heart.

I will be found by you, says I, the LORD." (Jer. 29:11-14)

Your choice will affect everything ... from high to low, from top to bottom, from large to small.

Part of My blessing, if you obey, will be for the Rand to get stronger, later even stronger than the Pound, the Yen and the Dollar. Because I came back to South Africa as the new King, you can start telling business people that they can start buying in South Africa again. Your properties here are going to have much value.

The stadiums all over South Africa will be full ... not only with South Africans who come, but people from all over the world will fly here to meet Jesus Christ. They are going to fly here from all over the world to hear the Word and to worship, and to experience what is happening here.

And when the fire starts falling here, boats and aircraft will depart from South Africa to the rest of the world with this message.

The time is here when you as the Government will call on the true Church of Christ and will ask them to help you govern as I intended.

You as the Government will, as in the time of Nehemia, be willing to give the true Church of Christ everything they need to do what I told them to do.

As I've said, you as Government has a choice: to bow down before Me as the living true God and do what I want you to do, or you will become like Nebuchadnezzar, eating grass like animals.

And it isn't only true about you, it will become true in the lives of all leaders, yes, even in the church and in all other sectors of life: those leaders who do not bow before Me and My plans will become like Nebuchadnezzar, eating grass like animals.

This is what I experienced the living God is telling His people at this time.

Please, do as the Lord tells us to do in 1 Thess. 5:19 to 24. Do not treat prophecy with contempt, but rather test it to see if it really is a word from God. And if it is, do not be just hearers of the Word. Be also doers of the Word.

Only God's humble messenger, Dr. Christo Nel
